Yo. Notice that the booty hole has stayed a virgin one more time. It was hard to keep them out but TinkerBelle managed, saving her back door for another opening later. But that mouth and pussy sure took good, hard poundings with a nice big jism load on her cute face. We're all looking forward to the day her booty gets drilled. We hope it could be you?

KIANNA JAYDE AND THE TREASURE BETWEEN HER LEGS

Kianna's at home today wondering what to do with herself. Yeah, aren't we all, when the doorbell rings. Not bothering to put on any clothes, she checks her piercing before answering the door. Ethan has shown up right on time. Tall, slim with a big, thick cock, this is his first time with her and can't wait to explore her tight little body.

They head off to the sofa in the living room, prepped for the encounter. Kianna starts by disrobing him and sucking his already hard cock. He responds by licking her pussy and discovering her silver stud.

Ethan told us he had never ever licked or fucked a girl with a piercing down there. "I really liked playing with it." he confesses. "Although I tried to be careful I didn't pull too hard, I think I may have a time or tow. She squealed a bit louder than usual, but it was a lot of fun and I hope I'll see her again. Soon!" We asked Kianna about it too, and all she did was smile. We'll take that as a thumbs up.

BLACKBOOTY

My name is Kylee and I'm writing to share an experience I recently had, and to encourage any reader that may be in the same predicament. Like many contemporary black women, I've come to realize how hard it is to keep a man. Even a good one. So we have to use our womanly wiles and maybe go beyond our comfort zone. In my situation with Jarrett.

Her name was Cornelia and she lived in our building. She was a neighbor of ours and I'd spotted her in the elevator a few times. We got to talking one day as we waited for a cab. She told me she was 22 with a black father and white mother. She just graduated from NYU and was looking to start a career in fashion. I told her how beautiful mixed women were. She blushed and giggled and I found that quite refreshing. I told her I wanted to sexy-up my underwear wardrobe and what better person than a beautiful, upcoming fashion designer.

We set our plans for Saturday and met at Macy's lingerie department. We went through almost their entire inventory of 36Cs and settled on six new bras for me and a dozen pair of panties that included eight g-strings and thongs. I had never worn such sexy stuff. I convinced Cornelia to come back to my apartment and help me choose some of them to wear during the week. I'd supply the wine and laughter.

As we entered my apartment, my husband Jarrett was there watch-

ing college football games. I introduced them and headed off to the bedroom with her to try on the new stuff. While I was modeling them for her, she told me that she had just split with her boyfriend of four years because he found out she had experimented with girls her first year in college. No matter

how much she tried to explain and ask forgiveness, he wouldn't hear of it. They spit and she had been wandering from one night stands to month long affairs, none of which were very satisfying.

As the afternoon wore on and the wine wore us down, I slowly incorporated hints of a three-way to liven up both our lives. She

Black Booty Girl Cassidy:

You're one fine piece of chocolate woman. I'm gonna satisfy you like no man can. As you lick my massive penis, my sperm is shot straight into your sucking mouth as you have an orgasm eating that

sticky white fluid while your vagina becomes very wet and exciting. Then you tell me to suck on those massive mammary cannons and I rip that purple bra off and suck those honkers until you moan. I then smash my penis into your vagina and cause a double orgasm while you squirt all over me with your female ejaculation and squirt into my mouth while I shoot hot cum down your wet pussy. We then pass out and wake up the next morning. You flash me your pussy and I can't resist. I drive my big eight inch penis straight into your vagina and shoot a

lot more sperm down that canal. I then ram my massive penis up your ass and hit the zinger while you scream in pleasure. Finally, I rub my penis all over your G-Spot and clit while you have a third orgasm and we both pass out from the excitement. Now wouldn't that be a fine evening spent?

– Garrett

...as I passed by my new neighbor I let my other hand trail innocently across his hardening cock.

seemed amused by the thought and I invited her for dinner on Sunday night. She agreed and I saw her to the door. We gave each other a big hug and quick kiss to seal the deal. After she leaves, I go over to Jarrett and join him on the sofa to watch the end of the game. I told him of the dinner invite and at first he seemed a little negative until I mentioned that she was bisexual and if he wanted to do her, I meant

tell her to go get Jarrett and bring him in her. She does and when he comes into the bedroom, he finds me standing in front of the bed in a hot red half bra and lace thong that drops his jaw.

Now, Cornelia strips out of her clothes without being asked and her body was stunning. She was around the same height as me but thinner. To balance that she had

she stopped me. "Leave it, it is sexy," she said. That silky muff was where I wanted to be but first her perfect tits demanded to be sucked. One of her hands was inside my panties and seemed to be enjoying the smoothness of my pubic mound. I put my hands on her meaty ass and squeezed her buns. I pulled the cheeks apart and saw Jarrett's eyes widen.

I saw Jarrett lean towards us but wasn't prepared for what happened next. He lunged forward and buried his face in Cornelia's ass. If it came as a shock to me it was just as much of a surprise to her and she jumped. Surprisingly she smiled. She lay face down and spread her cheeks with her hands by way of invitation. This time I wasn't missing out on seeing her black hole and joined Jarrett between her legs. We jostled to see who would get first attempt at rimming her. I unzipped his fly, pulled out his cock and popped it onto my mouth. From the top of the bed I heard Cornelia moaning loudly as Jarrett fucked her ass with his tongue.

us, that would be okay with me.

It's now 7 pm on Sunday night and she's right on time. He gets the door and invites her in. All three of us are dressed nicely and I have a sexy bra and panty set on that he doesn't know about. Dinner passes nicely with good conversation and laughs. Jarrett and Cornelia seem to have hit it off and are comfortable with each other. I ask him to clean up the dishes while she and I get something to show him. Cornelia and I go into the bedroom and I show her what I'm wearing underneath. She lifts her top to show me hers and I smile approvingly. I

bigger tits and bigger hips and a beautiful ass. Her skin was a light chocolate brown in color that cried out to be licked. She unhooked her bra and threw it aside. Then she sat on the bed and peeled her panties down her long brown legs. Her muff had the smoothest, straightest pubic hair I'd ever seen on a black girl. Not only that, it gleamed like satin and made my mouth water. At any rate the chill had gone out of her manner so I wrapped my hands round her head, pulled her towards me and kissed her full on the mouth.

As I went to remove my underwear

Dear reader, I'm having to stop here because I have to go to work. Please cum back to my letter in the next issue. I promise to have finished it and will share this exciting evening with you.

the postwoman always cums twice

I'm a volunteer at a local shelter and once a month all the volunteers do a pot luck brunch. It was my turn to bring the dessert so I made fudge brownies. In South Beach we have the hottest summers so I enjoy drinking lot's of lemonade – with lots of ice. So I'm waiting in the South Beach heat listening to music and dancing around with nothing but my boxers on, waiting for the brownies to cool before heading for the shelter. A few minutes later I heard the mail being delivered. I ran to catch the mailman so he could post the final pages of my divorce documents. I opened the door to see a "mailwoman" stuffing my box and asked what happened to John. She said he transferred to one of the suburbs north of Miami. As I handed her the envelope, I could see her eyes fixated on my chest and glancing at my boxers. We chatted about the extremely hot weather and noticed she was dripping a bit of sweat and probably need to cool off, so I invited her in for a glass of lemonade.

As she entered the house she noticed the sweet smell and asked why I was making brownies so early in the day. I laughed and said I worked at a shelter and wanted to get the brownies right before taking them with me. I asked if she would be my guinea pig, saying it was the first time I ever made them and she could tell me if they came out okay. She introduced herself as Dixie as

she put down her bag, took off her cap and sat at the counter. Her short brown hair came falling out and she unbuttoned another button on her blouse making that "I need to cool off" gesture fanning her blouse by the collar. She's a little hottie, I thought to myself. I walked to the fridge to get the lemonade. She said she preferred milk with her brownies. I looked and smiled at her and said I did too. I offered her one along with the drink. Savoring the taste in her mouth she smiled and said they were delicious. Humbly, I agreed with her and said thanks.

We made small talk as I was starting to feel a little flirtatious. I asked if she would like another. She said yes but had to get on with her route. I plopped one down on her plate. I began to get another for myself and she said she shouldn't finish the second one. She held it up to me, offering the remainder to my mouth. How sexy, I thought, as I moved in for a small bite, mouth open and tongue sneaking forward.

I noticed that she noticed and caught little smile from her. I took a bite and she ate the rest of it. She gathered her stuff and headed for the door. She stopped a few feet from it and thanked me for the refreshment. I asked if she would like one or two to take along with her. She politely declined but to my pleasant surprise, asked if

As she entered the house she noticed the sweet smell and asked why I was making brownies so early in the day. I laughed and said I worked at a shelter and wanted to get them right before taking them with me.

she could come over tomorrow to show her how to make them. I said she was welcome to come after three when I would have returned from the shelter. She said that would be great. She said she'd bring the milk because we had finished mine.

The next day I headed off about 11:00 with two dozen little fudge surprises. They were a hit and everyone said I did not make enough. About two pm I headed home to clean up before my mail-woman came over. Right at three there was knock at the door and opening it there stood Dixie and a lady friend just as cute as her. Both were wearing shorts and tank tops because of the heat and their incredible cuteness.

"Hi, this is Lilly. I hope you don't mind her coming along. I must say I feel a little safer this way." said Dixie.

"No problem." I said, and introduced myself as Quinn as they brushed past me into the house. They head to the kitchen and Dixie goes right to the fridge to put in the gallon of milk she promised. Lilly saw me checking her out as Dixie bent over to find a spot for the milk. Embarrassed, I looked at Lilly apologetically and she just smiled. After some small talk, we started making the brownies. I watched as the two ladies deftly handle the spatulas and electric mixer. After about twenty minutes the batter was ready and into the pan it went. Another twenty minutes and they were ready. As we waited, they said they were roommates and had been living in Tampa for six years before. I said I was a transplant from Detroit.

By now the brownies had cooled and the three of us were heating up. This time Lilly goes over to the fridge to get the milk as Dixie cuts the brownies. I serve them up and we all have a taste. Complimenting each other on how good they were, we all decide to have seconds. The girls commented on how hot the kitchen

had gotten from baking. They asked if I minded if they took off their tops. I said it was okay by me. I could not believe that this was happening. I took off my tennis shirt asking permission after it was off. They laughed

and started stripping off their pants. In heated anticipation, I cleared the kitchen table of the plates and glasses but left the brownies nearby.

Dixie turned to me and opened my pants and pulled my cock out. It was already hot in there and this eating game had really gotten me going. She put one hand around my cock and the other girl put her hand on top of that. She leaned forward and took the head of my dick in her mouth. As the two women squeezed it a glob of precum oozed out and the Dixie slurped it up.

As Dixie stood up, Lilly got behind me and quite deftly guided my cock to Dixie's slick slot. Dixie moaned as I pushed forward, she pushed back against me. She stood and took me by the hand and led me back into the bedroom. Lilly followed and then took the lead. I felt her warm breath as her lips enveloped my cock and she easily slurped half of my cock into her mouth before she looked up at me. Her brown eyes sparkled at me as she inhaled the other half of my cock. My knees were weak as I felt her throat contracting around my cock and after what must have been a minute or two but felt like

Dixie turned to me and opened my pants and pulled my cock out. She put one hand around my cock and the other girl put her hand on top of that. She leaned forward and took the head of my dick in her mouth.

forever. Dixie pushed me down and straddled my hips her hands deftly guiding my cock into her sweet wet snatch once again. She started first by just rubbing the tip of my cock against the swollen lips of her pussy, the

its fullest as she leanded forward and began kissing Dixie. When she did Dixie started to flex her hips grinding and riding up and down my cock. It wasn't long before I was spurting my hot cream into her wonderful, magical pussy. But that was not to be enough.

Lilly's pussy was hot and wonderful too when she slipped off my face, pushed Dixie off me and slid it onto my cock. It was only seconds before I went from semi to rigid as her tighter pussy got me going once again. She straddled me and leaned her body over mine, her nipples just grazing my face as she rocked up and down on my cock. I sucked and pulled on them with my teeth as she picked up her tempo until she was slamming her pussy down on my cock. I felt Dixie's hands grab my balls and begin massaging them fiercely and I fucked her friend. The I felt one wet finger slide into my butt hole and that sent me over the top. I bucked a couple more times with Lilly riding me like a cow-girl. Lilly gasped as I felt her pussy muscles contract around my cock and my own juices boiled over into her.

feeling was wonderful and I found myself thrusting up to try and get inside of that sweet honey pie. When she finally lowered herself onto my hips it was like I was sliding into a tub of warm butter, she rested there impaled on my cock for some time, and then I could feel her muscles start flexing and contracting around me.

I was delirious with the pleasure these women were giving to me. With Dixie riding me, Lilly climbed into the bed and straddled my face. I reached up and squeezed her breasts with my hands. She pulled my face deeper into her sopping wet pussy and my tongue extended to

She lay on top of me for several minutes my cock slowly sliding out of her, both of us spent. Dixie laid next to us gently caressing my balls and slipping a finger or two into Lilly's wetness.

Lilly managed to stand up after a little bit and I could see some of my cum leaking out of her. She apparently felt it too and scooped some up with her fingers. With my milky goodness dripping down them, she shows them to Dixie and says that this would go great with brownies! She tells me to get the rest of them. We were going to have us a chocolate frenzy.

She straddled me and leaned her body over mine her nipples just grazing my face as she rocked up and down on my cock. I sucked and pulled on them with my teeth as she picked up her tempo...

Now how bad can it be if it feels so good? Like having a nine inch cock shoved deep into your wet pussy? As guys we wouldn't know, so we had to ask the girls over and over again, but they were too busy being bad. When they finished they told us they're never too busy to be good to you.

"I was afraid to reveal too much of myself to him. He wanted me to do things I would never have considered. He wanted me to cook and make pancakes. I told him there would be none of that and immediately had to shut his mouth with my pussy before he asked anything else like that. After he understood the situation, I climbed on top of him and fucked his brains out. But I'm just not the type to clean them up, either."
